The Handling of Test Reports

Due to the improvements of internet technologies in recent years, global data (including theses and reports) are easily accessed. In the past there were no regulations on how to handle test reports.

The regulations on handling test reports from now on are as follows:

1. Objective
   -Clarification on handling test reports
   -Prevention of plagiarism.

2. Warning
   -If you have written a report with references with internet materials, be aware of the directions below.

   ① Reports are given tasks from teachers and are to be written in your own words and thoughts. Reports written by copying someone else's words are unaccepted.
   ② Referring to internet materials to prove your point is acceptable, but make sure the materials relate to your report.
   ③ If you have quoted a reference, cite the source at the end of the report.
   ④ If you have used someone else's words or ideas and did not cite them, the report will be accepted as plagiarism (Laws of Engineering Examination Article 16).
